Sarantis Group on Fortune’s list as on of the “Most Admired Companies 2022”

Sarantis Group was for another year, on the list of the **Most Admired Companies 2022**, the leading Institution for corporate reputation that rewards organizations that act with purpose, innovation, flexibility, extroversion, and corporate responsibility. Eight years have passed since Fortune, in collaboration with KPMG, “ran” the Most Admired Companies survey in Greece for the first time. This is a very important distinction for the Group as it reflects the **constant striving for excellence, providing exceptional solutions for every opportunity**, while coming to seal strategy that has been formulated and which creates sustainable profitability and value for all people in a highly competitive international business environment. Sarantis Group, always aiming **to create sustainable value**, through continuous investments and corporate responsibility actions, achieves **the balance between its financial strength and responsible business practice by actively contributing to the well-being** of the local communities where it operates, while at the same time focusing on expanding the geographical of the footprint both in Greece and abroad. Every year, the research highlights the 20 “Most Admirable Companies in Greece” and the evaluation of the companies is based on their corporate reputation, based on the quantitative & qualitative criteria, established by the American version of Fortune. The initial list this year consists of 380 companies, whose annual turnover is above 50 million euros for 2020 and are profitable.
