Appointment of market maker

The listed on the Athens Exchange company “GR. SARANTIS S.A.” (hereinafter the “Issuer”) announces that the Board of Directors of the Athens Exchange, by means of its decision dated October 16 2016, approved the appointment of “Eurobank Equities” as market maker of the Issuer’s shares for the purpose of improving their liquidity and set October 24th 2016 as the starting date.

The Issuer, according to a.1.3 and a. 2.4 of the Athens Exchange Regulation, has signed a market making agreement with Eurobank Equities with the following basic terms:

1. Eurobank Equities will transmit to the Trading System of the Athens Exchange market making orders (namely simultaneous buy and sell orders) for its own account on the Issuer’s shares, in accordance with the law. For this service, the Issuer will pay a fee to Eurobank Equities.
2. The market making agreement has duration of one (1) year.
