

## Sarantis Group: Participating for Second Year in Greece Race for the Cure®

With the participation of 54 employees, **Sarantis Group** supported the landmark fight against breast cancer for the second consecutive year. The iconic race was held for the 16<sup>th</sup> time on Sunday, **September 29<sup>th</sup>**, starting from Zappeion. Participants had the opportunity to run the 5-kilometer race or join the 2-kilometer walk, while there was also an option to participate remotely.

Sarantis Group's participation in the **Greece Race for the Cure®** is a significant initiative that promotes public awareness for prevention and support in the fight against breast cancer. The presence of employees at this event is not merely symbolic but also substantial, as it reinforces the concept of volunteerism and solidarity. Participation in the race contributes to the broader effort to raise public awareness about the importance of early diagnosis and patient empowerment, while also helping to raise funds to support programs and services that assist women in their fight against the disease.

**The Symbolic Race & Walk Greece Race for the Cure®** against breast cancer is organized by the **Hellenic Association of Women with Breast Cancer "Alma Zois"** with the approval of **Think Pink Europe®**, in collaboration with the **Culture, Sports & Youth Organization of the City of Athens (OPANDA)**. It is the largest event with a social purpose in Greece, dedicated to women's health.

The Group fulfills its vision guided by its core values: **Excellence, Trust, Humbleness, Ownership, and Sustainability (ETHOS)**. These values form the foundation of our business model and combined with our consistent financial performance, create the basis for our successful future growth. Our values shape the way we collaborate with colleagues, partners, customers, and consumers, giving meaning and value to our professional lives. Sustainable development is at the heart of our commitment, giving purpose to the existence of the Group. Our goal is to create a positive impact on people's everyday lives through our operations. We embrace the local communities in which we operate, empowering them through initiatives that help build a better today while caring for tomorrow.
